

BIOGRAPHICAL SKETCH

Provide the following information for the Senior/key personnel and other significant contributors.
Follow this format for each person. **DO NOT EXCEED FIVE PAGES.**

INSTITUTION AND LOCATION	DEGREE (if applicable)	Completion Date MM/YYYY	FIELD OF STUDY
University of California, Los Angeles	B.S.	06/1997	Mathematics, Honors
University of California, Los Angeles	M.S.	06/1999	Biostatistics and Epidemiology
University of California, Los Angeles	Ph.D.	06/2004	Biostatistics

A. Personal Statement

As Assistant Director of Biostatistics, Epidemiology, and Research Design (BERD), Dr. Hoang provides statistical support for study design, data analyses, publications, grant proposals, and IRB applications to researchers in the school of medicine and affiliated medical institutions including CHOC, Veteran Affairs, Memorial care, and Chapman University. She has served as a member of the scientific review committee, a co-investigator, and a co-author for many basic science studies, clinical trials, and quality improvement studies.

B. Positions

2016-Present: Assistant Director, Biostatistics, Epidemiology & Research Design Unit, Institute for Clinical and Translational Science (ICTS), UC Irvine
 2004-2015: Biostatistician, Veterans Affairs Healthcare System, Los Angeles
 2001-2004: Biostatistician, Department of Biomedical Informatics, UCLA
 1999-2001: Biostatistician, Jonsson Comprehensive Cancer Center, UCLA
 1998-1999: Research assistant, Department of Education, UCLA

C. Honors

2002: UCLA Public Health Trainee Award
 1996-1997: Southern California Edison Scholarship
 1995: California Retired Teachers Association Scholarship
 1995: Sylvia Tischhauser Scholarship
 1994: IVC Mathematics Scholarship
 1994: IVC Associated Students Scholarship
 1994: IVC Honors Society Scholarship

D. Publications

1. **Hoang, T., et al.** (2019). Gene mutations distinguishing gastric from colorectal and esophageal adenocarcinomas. *J Gastrointest Oncol.* 2020;11(1):45–54. doi:10.21037/jgo.2019.12.06
2. **Hoang, T., et al.** (2019). Predictors of outcomes in patients with gastric cancer treated with contemporary multimodality strategies--a single institution experience. *J Gastrointest Oncol* 2019. doi 10.21037/jgo.2019.01.08
